Provider information was last updated on 03/21/2019

Information contained in this directory is updated six days per week, excluding holidays, Sundays, or interruptions due to system maintenance, upgrades or unplanned outages. This information is subject to change at any time. Providers may delay communicating to Cigna that they no longer accept new patients so we cannot guarantee that each provider is still accepting new patients. Please check with the health care professional before scheduling your appointment or receiving services or call Cigna Customer Service at the toll-free number on your Cigna ID card to confirm he or she is participating in Cigna's network.

Source of Information and Frequency of Validation

Medical health care professional information addressing specialty, hospital affiliations, medical group affiliations, board certification, acceptance of new patients and languages spoken is obtained from an application that is completed and signed by the health care professional/facility (during credentialing). Physician board certification is validated through the American Board of Medical Specialties (ABMS), American Medical Association (AMA) or American Osteopathic Association (AOA). Information on the application is updated when the medical health care professional/facility notifies Cigna of changes or at least every three years.

Dental health care professional information addressing specialty, dental office/practice affiliations, acceptance of new patients and languages spoken is obtained from an application that is completed and signed by the health care professional (during credentialing). Information on the application is updated when the dental health care professional notifies Cigna of changes or at least every three years.

Cigna Care Designation (CCD)

Distinguishes network physicians who practice in one of the 21 specialties reviewed and who meet certain quality and cost-efficiency measures. Learn more about the Cigna Care Designation at <http://www.cigna.com/assets/docs/hcpdirectory/cigna-care-designation.pdf>

Cigna offers a tiered benefit design option available to customers where they are afforded a lower copayment or coinsurance level for covered services provided by Tier 1 providers than if they select a participating non-Tier 1 provider. Tier 1 providers are listed on the directory with the "Cigna Care Network – Tier 1 Provider" designation.
